

**BENFLEET TEAM
SUPPORTING ALL**

Research demonstrates that high quality CPD for teachers has a significant positive effect on pupil outcomes and is the most cost-effective way to boost pupil attainment

THE BENFLEET TEAM SUPPORTING ALL

Effective Behaviour Management for new teaching staff

Develop behaviour management strategies

This twilight session is aimed at new or inexperienced teaching staff/ECTs to assist in developing their behaviour management and communication skills

SUITABLE FOR SECONDARY PHASE ONLY

Effective Behaviour Management for new staff

COURSE DESCRIPTION

This training aims to develop behaviour management and communication skills to ensure that all students engage and progress within the classroom. The session addresses how to manage and resolve challenging behaviour and ensure staff have all the relevant tools to support students to meet expectations both in and outside the classroom. Delegates will learn how to :

- Create a positive learning environment with clear boundaries and expectations
- Develop a range of skills and tactics to support behaviour management
- De-escalate issues through communication
- Impact and eradicate low level disruption
- Reset boundaries, routines and structure and develop a consistent approach to support engagement
