### **Primary Talk Programme**

#### **COURSE DESCRIPTION**

Hosted by our accredited facilitator, this programme is offered through two twilight sessions aimed at improving the skills and confidence of staff to support pupils' communication skills by giving them the knowledge to establish practical strategies and approaches to maximise and develop every child's language and communication skills. The sessions will support schools to:

- Build understanding of children's typical speech, language and communication development
- Identify children with SLCN needs
- Utilise strategies and approaches to develop communication skills across the curriculum
- Develop the foundation skills for literacy
- Further develop social aspects of learning and work collaboratively with parents and professionals to support speech and language
